You can search Google Books for any book or topic. In
this case, let's go with "Alice in Wonderland" since it's
a well-known book, and there's probably a free eBook
or two for this title. The original work is in the public
domain, so most of the variations are just with
formatting and the number of illustrations included in
the work. However, you might also run into several

copies for sale, as reformatting the print copy into an
eBook still took some work. Some of your search
results may also be related works with the same title.
