It's easy to search Wikibooks by topic, and there are
separate sections for recipes and childrens' textbooks.
You can download any page as a PDF using a link
provided in the left-hand menu, but unfortunately
there's no support for other formats. There's also
Collection Creator - a handy tool that lets you collate
several pages, organize them, and export them
together (again, in PDF format). It's a nice feature that
enables you to customize your reading material, but
it's a bit of a hassle, and is really designed for readers
who want printouts. The easiest way to read Wikibooks
is simply to open them in your web browser.
