School. ERIC Digest. Exploration of students' "specialized interests, aptitudes, and abilities as a basis for decisions regarding educational opportunities" and vocational decisions was long ago identified as one of the essential functions of the junior high school (Gruhn & Douglass, 1947, pp. 31-32). In 1995, the National Middle School Association (NMSA ... Exploratory Curriculum in the Middle School. ERIC Digest. In order to do this, I argue that Exploratory Practice (EP), viewed as a pedagogical disposition, can become a principled underpinning for the theoretical and practical implementation of a curriculum. I also suggest that working through EP enables a move towards a more complex identity of multi-directional practices. With this position as a starting point, I outline here how, using EP as a ... Co-constructing the curriculum through Exploratory ... Our stimulating curriculum and an eclectic approach to teaching enables us to use different techniques and resources to provide our children with a high-quality language education.
