This book explains what evidence-based veterinary medicine is and shows how it can be applied to veterinary practice to improve the quality of care for patients and provide informed choices for owners. [Download] Handbook of Evidence-Based Veterinary Medicine ... Simply put, evidence-based decisions combine clinical expertise, the most relevant and best available scientific evidence, patient circumstances and owners' values. This is what we

mean by Evidence-based Veterinary Medicine (EBVM). Even though it might seem that every veterinary decision is already based on this principle, EBVM aims to make the decision-making process easier, quicker, and less prone to bias or interference from poor quality studies. What is EBVM? - RCVS Knowledge EBVM - Evidence-Based Veterinary Nursing. EBVM resources for veterinary nurses . EBVM tools & tutorials. Podcasts, Books, Journals and References.
