pdf free intersectional identities and educational leadership of black women in the usa manual pdf pdf file

Intersectional Identities And Educational Leadership Abstract In this review of research, we explore intersectionality in the literature on K-12 educational leadership. We seek to understand how researchers have used intersectionality and what their findings or arguments reveal about the work of leading to reduce inequities in education. Intersectionality and Educational Leadership: A Critical ... While there are bodies of research literature on women in educational leadership, as well as the leadership development, philosophies, and approaches of Black or African American educational leaders, this issue interrogates the ways in which the Black woman's socially constructed intersectional identity informs her leadership values, approach, and impact. Intersectional Identities and Educational Leadership of ... Intersectional identities and educational leadership of black women in the USA. Horsford, Sonya Douglass, editor of compilation; Tillman, Linda C., editor of compilation. This volume examines the educational leadership of Black women in the U.S. as informed by their raced and gendered positionalities, experiences, perspectives, and most importantly, the intersection of these doubly marginalized identities in school and community contexts.
