MYP Curriculum Guide 2019-2020 The objectives of MYP sciences encompass the factual, conceptual, procedural and metacognitive dimensions of knowledge. Each objective is elaborated by a number of strands; a strand is an aspect or indicator of the learning expectation. Subject groups must address all strands of all four objectives at least twice in each year of the MYP. guide. Sciences guide - Saint Paul Public Schools These resources are designed for my MYP 1 Science class. This unit is taught largely through students inquiring into the properties of common liquids and learning that pH is a way to describe them. Students first interact with 10 unknown liquids and litmus paper, with no instructions. Out of this we build our inquiry questions. Sciences - theMYPteacher.com The Middle Years Programme (MYP) is a challenging framework that encourages students to make practical connections between their studies and the real world. Our IB MYP resources drive meaningful inquiry through unique concept-driven narratives and support every aspect of assessment. MYP by Concept 4&5 are the only resources developed with the IB.
