Equine Neonatal Medicine and Surgery: Medicine and Surgery ... Neonatology is a subspecialty of pediatrics that consists of the medical care of newborn infants, especially the ill or

premature newborn. It is a hospital-based specialty, and is usually practised in neonatal intensive care units. The principal patients of neonatologists are newborn infants who are ill or require special medical care due to prematurity, low birth weight, intrauterine growth restriction, congenital malformations, sepsis, pulmonary hypoplasia or birth asphyxia.
