Teams can work through seven questions, each with a range of practical person centred thinking tools, to explore becoming a person centred team. Why do we need them? Implementing person centred planning and thinking in services is deeply challenging. Person centred planning can be a life changing, enriching experience. It can also be a distressing disappointment if

nothing changes. Lisa's plan An introduction to Person Centred Teams This chapter presents and illustrates a way of building person centred teams, beginning with a change in thinking that results in a change in practice. A CHANGE IN THINKING Being person centred with staff Some of the fundamental principles of person centred planning are that we involve people in all decisions about their life, build on their existing skills and interests, identify what support they need and provide it.
