Philosophy And Practice Of Chiropractic In Special ... Introduction. In the minds of many chiropractors, there is an ongoing battle in the chiropractic profession between two factions, one of which believes that the practice of chiropractic should be guided by philosophy and another which believes that science should guide the practice of chiropractic. It is my contention that a battle between philosophy and science does not and cannot exist within the chiropractic profession or any other discipline. PHILOSOPHY AND SCIENCE VERSUS DOGMATISM A common denominator of “straight” chiropractic is the usage of subluxation. At the risk of oversimplification, chiropractors can be viewed as falling into three groups based on their usage of evidence, diagnosis, and philosophy: evidence based chiropractors, traditional straight chiropractors, and super straight chiropractors.
