between the personal and the collective elements in man. Psyche (psychology) - Wikipedia The Body-Psyche philosophy starts with one basic premise: Surprisingly, the secret to becoming your best self doesn't start with changing your mind... It starts by changing your body. That may be a strange concept at first, but the evidence for it is compelling and based on the cutting edge research in neuroscience and psychology. Get Rid of Shame and Guilt | Body-Psyche Jung maintained that the psyche is a self-regulating system (like the body). The psyche strives to maintain a balance between opposing qualities while at the same time actively seeking its own development or as he called it, individuation. For Jung, the psyche is inherently
