About The Good Salon Guide | Good Salon Guide Professional Standards and Practice. Within the Beauty industry professional code of ethics should be followed at all times to ensure the highest standards are followed by all therapists. To establish a good clientele a therapist must trust and build confidence with every client. It is the therapists responsibility to follow all codes of practice when working in a salon. Professional Standards and Practice - Next Step Beauty Welcome to the Good Salon Guide. Book an appointment with our salons, keep up-to-date with fashion trends, read about the industry's seasonal predictions or find your next career move in the world of hair and beauty. Good Salon Guide We have decoded the hair colour numbering system: one of the key tools which will help you better understand the complexity that goes into your hair colour service in-salon. There are up to 4 figures in a hair colour number, up to 2 before the decimal point and up to 2 after the decimal point. Hair Colour Numbering System - L'Oréal Professionnel The back room of a salon is a notoriously rowdy place. It can be hard to keep the hooting and hollering down, but try to keep it from spilling out onto the salon floor. I've also seen arguments between coworkers continue onto the salon floor. This is VERY unprofessional and should always be avoided. How to Keep It Professional in the Beauty Industry Find helpful customer reviews and review ratings for The Salon
